SAFETY LETTER

October 30, 2020

To Whom It May Concern

RE: CATAPULT LOGISTICS LLC SAFETY PROGRAM IMPLEMENTATION

We at Catapult Logistics LLC are committed to improving all components of our safety through inspection, training, and enforcement.

Our safety department is conducting regular pre-trip vehicle inspections to ensure all drivers are keeping up with requirement maintenance work. Additionally, we are requiring all equipment to have a DOT level full inspection every month at an authorized inspection station. This will ensure that our vehicles are maintained in good condition and are void of violations.

Beyond vehicle inspections, we are re-training our employees to ensure they are up to date with current regulations and requirements. With the newly instituted ELD mandate, we have also equipped all our trucks with ELD devices and have trained all of our drivers on how to properly keep records of duty.

Our safety department has a zero tolerance to safety violations and will readily let go of any drivers that break rules.

Yours truly

PETER MWANGI
OPERATIONS AND SAFETY MANAGER
